This event will be run to IFMAR rules and therefore as per rule 6.6 of the IFMAR World Championship Rules 1/5 IC Track;

The chemical treatment of tyres by adding any tyre traction moistures or other chemicals / additives is not allowed. Tyre cleaners are not allowed.

All cars must complete technical inspection prior to the commencement of official qualifying. Additional inspections will be required at the conclusion of each qualifying round. Be informed that “*Random*” scrutineering will be done throughout the championship. It is the drivers responsibility to ensure their car meets the IFMAR technical rules at all times

Entries will only be accepted on the official entry form and accompanied by payment.

For the Queensland State Championship the first AARCMCC driver across the line will become state champion.

International Drivers are welcome to pre-ship their cars &/or equipment. Storage can be arranged by contacting Trackside RC who are located adjacent to the track. All care but no responsibility basis.
